FOLD

Instructions:

1. Cut out the cover insert, on page 1, around the outer
        perimeter. Do not cut along the center.
2. Fold the cover insert in half, with the text on the outside.
3. Insert the cover insert in the CD case cover.

4. Cut out the tray insert, on page 2, around the outer
        perimeter.
5. The right-most long narrow title "tab", on the tray
        insert, is for CD case with a transparent tray.
        Remove this "tab" if the CD case has an opaque tray.
6. Fold the left and right long narrow title"tabs" to a 90 degree
        angle, away from the main tray cover portion. If the
        right-most "tab" is retained for a transparent tray, fold
        that "tab" 90 degrees again, away from the title
        "tab" next to it. The text should appear around the
        exterior of the folded cover, not the interior.
7. Remove the tray from the case.
8. Place the tray insert in the case.
9. Insert the tray, being careful that the title tabs are flat
        against the case.

10. Please appropriately discard this portion and the scrap bits
        of paper.

Hunter Patrol

World War IV has dragged on for 12 years and the whole world
is drained and tired of the killing and destruction. One man,
a high school chemistry teacher from St. Louis in the USA, is
serving his latest forced stint in the UN forces when something
strange happens to him. He dies but yet he doesn't. What if
you had the power to bring peace to the entire world? What
would you do? This story explores a frightening and strange
journey into the murky depths of human needs and desires and
how they can twist and turn back upon us.
